Dear Class of 2020;

We here at CHS know this is not the way any of us would have wanted you senior year to end! Everyone is extremely proud of you and all that you have accomplished.

We know graduation is very important to you and your family and we will make the best possible decision when the time comes. We do not know what orders our county and state may have in place in the coming weeks. We will continue to base our decisions on the most up to date guidance from the Governor, local leaders and the State Department of Health. Our options concerning graduation will be dictated by their guidelines. We will keep you informed.

We ask that you keep your spirits high and remember that each of you have an exciting and bright future ahead of you!

Sincerely;
Gayla Miller
